

HOTEL 3*** on COSTA BRAVA

Ref.: GCH / JB-HLVC2

The Hotel is located at the main entrance of a beautiful coastal village, halfway between Barcelona and Girona, 49Kms each of these Catalan capitals on the stunning Mediterranean shore and can be reached by multiple ways of transport given its privileged geographic situation:

- by the National coastal road N-II road, or by the C-32 motorway
- Public transport, of which the railway is the most important

That makes the zone one of the most widely used.

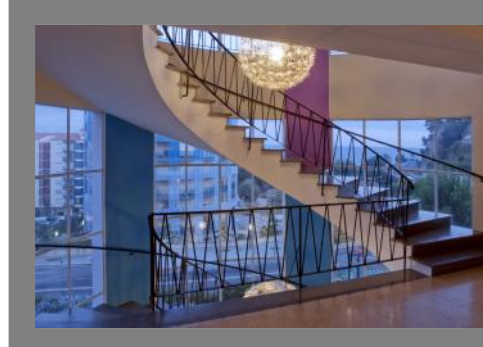

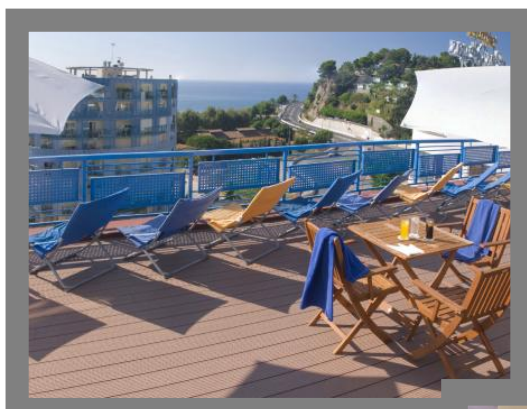

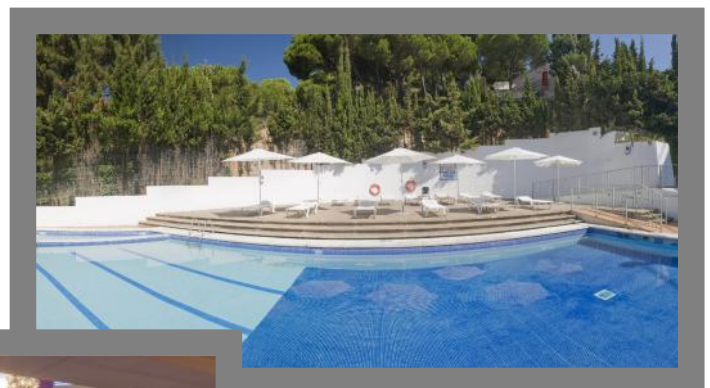

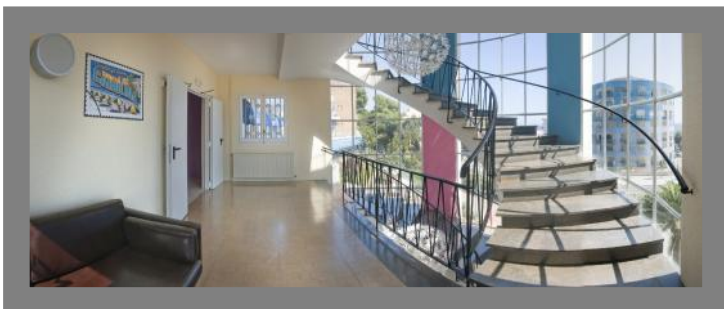

Easy railway connections with Barcelona, Girona, the whole Costa Brava and Barcelona Airport, increasing this frequency in summer.

The Hotel offers 94 moderns rooms which have been redesigned with comfort and convenience in mind to ensure that our guests enjoy fantastic holidays.

They can relax in our remodeled swimming pool, sit in the TV room where a wide range of international TV stations are available, or just drink a coffee in the cafeteria or in the restaurant.

A large private parking is available and elevators to all the floors.

Do whatever you may love: relax in our swimming pool and solarium, walk to the beach and try any of the water sport activities offered there, or just sunbath and take a swim.
