

4***Hotel in Barcelona City

Ref.: JB-HVAB

In a privileged position on the northeastern coast of the Iberian Peninsula and the shores of the Mediterranean, **Barcelona** is the second largest city in Spain in both size and population. It is also the capital of Catalonia. Barcelona, more than just a single city, is really a collection of multi-faceted and diverse cities.

The capital of Catalonia is unequivocally a Mediterranean city above all because of its history, tradition and cultural influences.

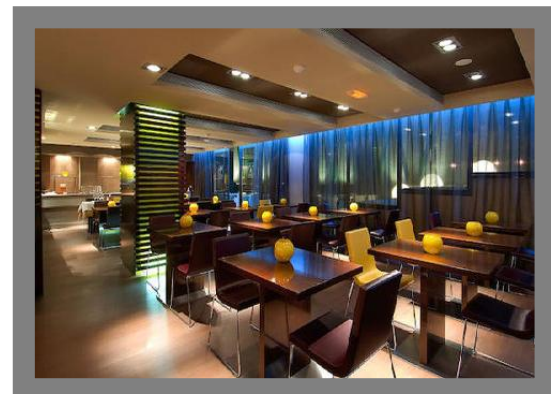

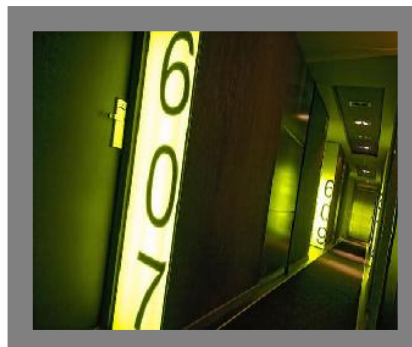

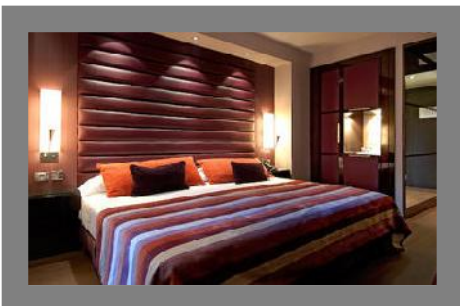

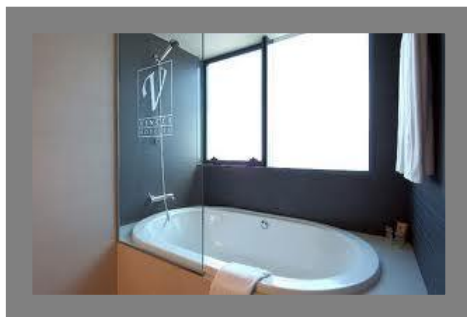

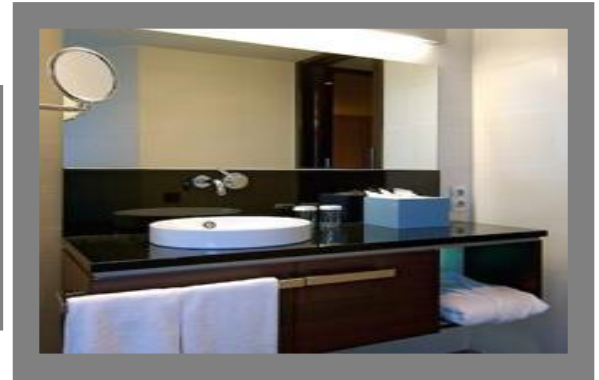

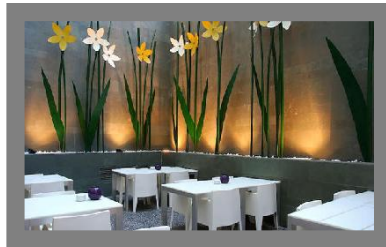

It is one of the most visited cities in the world with its old city, one of the nicest and most romantic of Europe. Its small streets, shops, the air you breathe, everything invites you to wander around, getting to know every place of this charming area.

A marvelous coast line as since the massive clean-up operation of the beach and nearby Olympic marina and village undertaken for the 1992 Olympics, this area has become a magnet for Barcelonans and visitors alike.
